Dear Mr. Markowitz:

I am writing to let you know that The Landmark Forum and other programs delivered by Landmark Education Corporation have made a positive contribution to many thousands of Jews. Many Rabbis and Jewish professionals have participated in The Landmark Forum, and they will attest to the fact that The Landmark Forum has enhanced their experience of Judaism. Many of these Jewish professionals have also encountered congregants that have participated in Landmark Courses and have seen their relationship to their Judaism motivated and nurtured by the Landmark Forum.

I am informed that a large number of people who participated in The Landmark Forum have reported significant improvements in their relationships with their children and families. I am confident that participation in Landmark Programs would benefit all families and children.

It is extraordinarily important to acknowledge the thousands of practicing Jews who have benefited by The Landmark Forum and who have contributed immeasurably to Jewish creativity and the Jewish community.

Rabbi Arnold Mark Belzer
